Collection gravures

Ajoutez de la personnalité aux urnes offertes à votre clientèle avec la gravure d'un dessin parmi notre vaste collection. Il est également possible de nous faire parvenir un dessin personnalisé ou de demander un thème non présent dans notre collection pour un frais supplémentaire d'infographie.

Veuillez noter que certains des dessins avec beaucoup de détails ne pourront être gravés sur certains modèles d'urnes dont la zone gravable est plus petite (ex : Les Vignes)

Exceptionnellement, la gravure d'un dessin sur les urnes de bois WD-006 et WD-007 est incluse sans frais supplémentaire.
